Home Automation Made Easy

Glass Break Sensor

- Monitor glass windows and doors for break-in attempts with Ring Alarm Glass Break Sensor.
- Get mobile alerts when the Glass Break Sensor detects the sound of glass shattering in your home, or set the sensor to automatically sound your Ring Alarm siren when armed in Home or Away mode.
- Ring Alarm Glass Break Sensor uses AI technology to accurately detect the sounds of different types of breaking glass and help reduce false alarms.
- Requires Ring Alarm or Ring Alarm Pro.
- See more. Know more. Protect more. - Record 24/7 on your eligible cameras, scroll back in time to rewatch what you missed, get alerts for people and package, and so much more with an compatible Ring Home subscription (sold separately).
