Home Automation Made Easy

Indoor Stick Up Cam

- Watch over your home day or night in 1080p HD video with Live View and Color Night Vision.
- Record a few extra seconds before every motion event with Advanced Pre-Roll to get a more complete picture of what happened.
- Turn off your camera and mic with the manual Privacy Cover, then reactivate with a simple swivel.
- Get real-time alerts when the camera detects movement, and choose exactly what your camera covers so you only get notified about movement that matters.
- Find the perfect angle on a table, or mount up high with the flexible swivel mount. Indoor Cam is plug-in, making it easy to move where you need it.
- Choose from a variety of different color options to elevate any space.
- See more. Know more. Protect more. - Record 24/7 on your eligible cameras, scroll back in time to re-watch what you missed, get alerts for people and package, and so much more with an compatible Ring Home subscription (sold separately).
- Hear custom notifications from Echo Dot, launch video with Echo Show, and enjoy hands-free home monitoring with select Alexa-enabled devices.
