Home Automation Made Easy

Outdoor Camera with Spotlight

- Watch over your home day or night in wide-angle, 1080p HD video with Color Night Vision and check in at anytime with Live View.
- With 2 motion-activated LED spotlights that turn on when they detect motion, and sound the built-in security siren with just a few taps.
- Customizable motion zones let you choose exactly what your camera covers – so you only get notified about what matters most.
- Easily power your device with the Quick Release Battery Pack.
- Talk to guests anytime, from anywhere with Two-Way Talk.
- Save your recorded videos for up to 180 days to rewatch any time, get alerts for people and package, and so much more with a Ring Home subscription (sold separately).
- Works with Alexa so you can hear audio announcements when motion is detected.
