Outdoor Camera with out Light

- Get brilliantly clear 2K with Ring's best image quality yet. (Video quality may vary based on internet bandwidth and device temperature.)
- Ring Vision combines hardware and software to show you every moment at its absolute best.
- Get full-color detail in the near-dark with Low-Light Sight. Nearby street lighting is all you need for a clear view at any hour.
- Record 24/7 on eligible cameras, scroll back in time to rewatch what you missed, get alerts for people, packages, vehicles, and more with a compatible Ring Home subscription (sold separately). 24/7 Recording only available for Outdoor Cam Plus Plug-In and Wired.
- See and respond to activity with Live View & Two-Way Talk.
- Hear custom notifications from Echo Dot, launch video with Echo Show, and enjoy hands-free home monitoring with select Alexa-enabled devices.
