## Outdoor Contact Sensor

- Help secure outdoor gates, sheds, guesthouses, and windows with Ring Alarm Outdoor Contact Sensor.
- Get mobile alerts when your outdoor gate opens, or set the sensor to automatically trigger your Ring Alarm siren when armed in Home or Away mode.
- With its weather-resistant design, the Ring Alarm Outdoor Contact Sensor can withstand outdoor use in most climates.
- Outdoor Contact Sensor comes with mounting tape and screws for easy installation on most surfaces.
- Requires Ring Alarm or Ring Alarm Pro.
- See more. Know more. Protect more. - Record 24/7 on your eligible cameras, scroll back in time to rewatch what you missed, get alerts for people and package, and so much more with an compatible Ring Home subscription (sold separately).
- Ring Alarm and the professional monitoring service are available and ship only within the U.S. (excluding territories) and Canada.
